

### **Achieve Solutions Offers Easy Access to Benefits Information**

Accessing your benefits information just became easier with a new feature on the Achieve Solutions website! Now, when you log on to My Site—your personal profile page on Achieve Solutions—you can access claims, authorizations, co-pay, deductible information, and more.

Accessing the new benefits portal is easy. Go to [www.achievesolutions.net/fmolhs](http://www.achievesolutions.net/fmolhs). Click on My Site at the top of the page. After logging in, verify that your personal information is correct, then select "Claims, Benefits, Coverage & Authorizations." Here you can:

- Review personal insurance information and submit an inquiry if needed
- Review benefit information, including yearly limits and deductibles
- Review authorizations and submit an inquiry if needed
- Review claims, search and print claims list, view claim details, and submit inquiries

For more information on how to use this new feature, go to [www.achievesolutions.net/fmolhs](http://www.achievesolutions.net/fmolhs), click on Resources, then select "New! Access Your Benefits Information." There, you will find step-by-step instructions to help you find your personal information.
