

Payroll Deductions Through Oracle

Step 1 – Click the “Oracle” button on TeamLink.

Step 2 – Click the “Manage Personal Contributions” button.

Things to Finish

Step 3 – If you have any ongoing deductions, you will see those listed on this page. You can manage ongoing deductions by clicking on the pencil under “Add.” If you do not have an ongoing deduction, you will need to click the “Add” button.

Step 4 – Click “Foundation BR” for the plan. Add “Amount” as the Option then add how much you would like to contribute per paycheck.

Personal contribution

The screenshot shows a web form titled "Personal contribution". It features two input fields: "Plan" and "Option". The "Plan" field is a dropdown menu that is currently open, displaying a list of options. The option "Foundation BR" is highlighted with a red circle. The "Option" field is empty.
