EXCEPTIONAL HEALTHCARE

A view of the new Women's & Children's chapel (left) that will connect to the revitalized hospital. The chapel stands as a testament to our dedication to enhancing safe, state-of-the-art healthcare that fosters the Spirit of Healing in Acadiana.

Growing Where We Are Called

The Promise of Yes has been unfolding for over a century, ever since our founders, the Franciscan Sisters of Calais, established their ministry in Louisiana. Today, we honor their legacy and continue expanding our health ministry and advancing care for women and children. In doing so, we affirm their guiding principle: "Go where we are called." and at this moment, we must Grow Where We Are Called.

In March of 2019, Our Lady of Lourdes announced the acquisition of Women's & Children's Hospital, pledging a Promise of Yes to always provide exceptional, compassionate care to the families of Southwest Louisiana while ensuring community access to healthcare. Looking ahead to 2025, a major expansion of the hospital campus will further our commitment to advanced, specialized care for female and pediatric patients in a state-of-the-art environment tailored to their needs.
