

Our Lady of Lourdes Women's & Children's Hospital

Highest Quality, Family-Centered Neonatal Intensive Care

At Acadiana's ONLY Level III Surgical NICU, your patients will have access to local pediatric surgeons and subspecialists. Our NICU Transport Team brings the NICU to the baby, providing whole-body cooling, high-frequency ventilation and inhaled nitric oxide. Parents will have peace of mind with our NICU camera system that lets them keep a watchful eye on their baby.

OUR NEONATOLOGISTS

Amy Zeringue, MD
NICU Medical Director

Jennifer Bisquera, MD

Muralidhara Devarapalli, MD
